

## Crack Masonic Teams in Duckpin Battles Tonight---Krauss Leads Tenpin Bowlers

MASONIC LEADERS  
IN ACTION TONIGHT

Stansbury and Lafayette, Tied for Lead, Engage Teams At Royal.

## CONTINENTALS IN MATCH

Roll Resolves in Contest Having Strong Bearing on District Pennant.

One of the finest duckpin pennant races of the season is taking place in the Masonic League, in which the Stansbury and Lafayette Lodge teams are tied for the leadership. Interest in the battle for championship honors will receive impetus tonight, when each of the leading quintos rolls at the Royal.

Stansbury will take on the George C. Whitting team, a strong combination, and probably will encounter stiff opposition, while Lafayette should find the M. M. Parker quint not so tough an opponent.

Though Stansbury and Lafayette are tied now, the first named is favored to win the championship. Columbia, in third place, is not to be overlooked. Last year's champion is plugging along close on the heels of the leaders, and with about four more sets to roll, has a chance to finish on top.

The District League championship may be decided tonight, when the Continentals roll the Resolutes, at the Royal. The Continentals are on even terms with the Royals for first place, and should they lose a game, it is considered probable that the Royals will have little trouble in winning the title.

Andy Goddard is continually stepping in the bowling limelight. Rolling with the Navy team, in the Departmental League, he had a set last night of 375. His games were 140, 126, and 109. Incidentally, Goddard has an average of 112 in the Departmental.

Fenton led the bowlers of the six Washington Centennial teams when they rolled their weekly games at the Grand Central. Fenton, anchor man for team No. 4, hit the maples for counts of 133, 103, and 130, giving him a total of 375. He was tied with Goddard for last night's honors.

Johnson, of the Indians, in the Capital City circuit, turned in the best single game of 149.

Jacobson was a consistent performer for War, in the Departmental, when his team dropped three to Navy. His strings were 117, 112, and 117.

TOME SCHOOL COMES  
HERE TO M. S. MEET

George Green's Squad Gets Busy For Heavy Season.

PORT DEPOSIT, Md., April 6.—Tome School's track squad, now in training under Coach George F. Green, will run in the Maryland State meet, May 5.

The indoor season, although not producing any stars, uncovered some excellent men. The outdoor schedule this year is a very heavy one, and is the hardest attempted in some years. To start the new season, however, Coach George Green will have the services of Capt. Robert Bradford, who runs both the high and low sticks and the quarter mile; William Baker, an excellent mile; Wrightson Tolson, a valuable weight man and a promising middle distance runner; Baldwin Spilman, a high jumper, and Hardesty, a good dash man.

From the new men, Earl Pridmore, sterling quarter-mile and dash man and hurdler; Doc Brock, a sprinter; Goldsmith, another sprinter, and the Clark brothers, have all reported and have been working daily. So there seems to be a very well-balanced team, and as soon as a majority of the most promising candidates are rounded into shape, Tome should be well represented on the track.

The outdoor schedule is as follows:

April 21, New York University meet.

New York, April 29, Penn. relay.

Philadelphia, May 6, Maryland State College, Washington, D. C.; May 12, Princeton Intercollegiate, Trenton, N. J.; May 19, Tome interscholastic track meet; May 30, Lafayette College interscholastic.

TIGERS VICTORIOUS

Whale Schupp's Offerings, While Ehmske Is Effective.

WICHITA, Kan., April 6.—The Detroit Tigers whaled Ferdie Schupp's offerings here yesterday and defeated the New York Giants 6 to 5. George Smith, relieving Schupp, was good, stopping the attack of the Tigers at once. Ehmske's slow curves completely baffled the Giants, but Carroll Jones narrowly escaped with his life.

The series between the two teams is now tied, each having won three games. The Tigers have scored 31 runs to 33 for the Giants.

Cornell Coach Believes Himself Fitted for the Infantry.

ITHACA, N. Y., April 6.—Dr. Al Sharpe, Cornell's football, basketball, and baseball coach, has applied for captaincy in the army, asking that he be appointed to the infantry, if possible.

Dr. Sharpe has for years acted as a coach of athletes and he feels that he is well fitted to handle men and youths who will be placed in camps to learn how to be soldiers.

DROPS MEL SHEPPARD

Former Champion No Longer Coach of Millrose A. A.

NEW YORK, April 6.—Melvin W. Sheppard, the former champion middle distance runner, will no longer guide the athletic destinies of the Millrose A. A., according to a notification sent out yesterday by John J. McGowan, chairman of the athletic committee of the association. The notice sent out by Mr. McGowan reads: "The Millrose A. A. desires to announce that after Saturday, April 7, Melvin W. Sheppard will no longer be connected with this organization in any capacity."

When asked what had occasioned the release of Sheppard as athletic coach, McGowan would give no information. The noted athlete has been the athletic director of the Millrose for about three years, and during that time has built up a team that has scored heavily in track meets and in cross-country events. The club is especially strong in distance runners, and Sheppard looked forward to winning the metropolitan senior championship over hill and dale on April 28, next. McGowan said last night that no successor to Sheppard had been appointed.

## HOOPER NOW IN LINE.

BOSTON, April 6.—Harry Hooper, veteran right fielder of the world's champions, has come to terms with President Frazee, signing his 1917 contract at Indianapolis yesterday.

## Before You Pay \$5-\$6 or \$7 for Shoes—Read This

WHEN you start out to buy a new pair of shoes for Easter, you will find that prices have advanced enormously everywhere, and that one must pay almost DOUBLE last year's prices.

This is due to the scarcity of leather and its consequent high cost. There is no relief in sight in the price situation—in fact every indication points to further heavy advances in the near future.

But before you pay \$5, \$6 or \$7 a pair for shoes, READ EVERY WORD OF THIS, for it points the way OUT of paying such prices for the present at least.

We are probably the largest producers of popular-priced shoes in the world. Our output through our 257 stores throughout the United States by far exceeds three million pairs a year.

Realizing that prices were due for a big advance, we made our contracts in 1915 and 1916 sufficiently large enough to see us through until the middle of 1917. As a

result of our foresight, we escaped the penalty which others paid for waiting, and as a consequence we are able to give our customers the SAME REMARKABLE VALUE as we ALWAYS gave them.

Tomorrow our windows will reveal a display of fashions and values for EASTER that absolutely surpasses any exhibit of the kind we have ever shown. You will see

Shoes Worth \$3.50 for \$2.50  
Shoes Worth \$4.00 for \$2.95  
Shoes Worth \$5.50 for \$3.50

238 styles are here for your choosing—ranging through all the variations of style and leather combinations now in vogue

By all means see this wonderful display before you buy anywhere—and if you can afford to buy TWO pairs, by all means do so—for the NEXT time you buy, perhaps prices will be much higher. Come tomorrow and save \$1 to \$2 by your enterprise.

For Your Boy—We are still selling our famous NEWARK Shoes at \$1.75 and \$2.50 a pair. Before you pay advanced prices elsewhere, take our advice and buy these at \$1.75 and \$2.50

NOTE—We do not operate our stores under any other name than The NEWARK.
